ASPRS REPORT FORM

INSTRUCTIONS: Please try to keep the report to this one page. If you are only reporting/updating on your entity's activities, attach no more than two (2) written pages to this form. If you are reporting on a recommendation for action or policy change, please attach supporting documentation to your response to Question #4. Reports resulting from a meeting held during the conference must be dropped off at the on-site ASPRS staff office the day preceding the Board meeting. Please submit an electronic copy for web site posting (email to asprs@asprs.org).

The Geospatial Technology Competency Model was reviewed; changes proposed; meeting participants sent reminders to send their comments on the document to David DiBiase by May 1. J. Plasker demonstrated the Multi-State licensing legislation tracking website. He will use it to keep up to date on photogrammetric licensing regulation changes and share the information with Doug Fuller (Licensure Committee). W.
