

ASPRS SUSTAINING MEMBERSHIP

Join the leaders of the geospatial community

ASPRS provides corporate members with a foundation for networking, research, business access, methods and forum exchanges, continuing education, community contributions and professional development.

Corporate membership in ASPRS helps your company serve your employees *and* customers.

<ul style="list-style-type: none"> • Networking -- we facilitate members staying connected. 	<ul style="list-style-type: none"> • Research Contributions –we encourage basic and applied research which eventually leads to expansion of practical technology.
<ul style="list-style-type: none"> • Business Access – we foster maintenance of current customer relationships and the means to acquire new customers. 	<ul style="list-style-type: none"> • Methods and Techniques – we host forums and exchanges of best practices.
<ul style="list-style-type: none"> • Continuing Education –we nurture future professionals and are a resource to facilitate career placement, development, and continuing education and life-long learning. 	<ul style="list-style-type: none"> • Community Contributions –we maintain our role as geospatial standards thought leaders and promote the ethical application of geospatial technologies.
<ul style="list-style-type: none"> • Professional Development –we transform peer best practices into individual skill sets, techniques, methodologies, workflows and, as applicable, certifications for practitioners. 	<ul style="list-style-type: none"> • Bringing Communities Together – commercial, academic and government professionals.

Your corporate membership helps

- ASPRS Lead development of government standards
- ASPRS provide continuing education and professional development for the geospatial workforce
- ASPRS maintain the CESB accredited professional certification program
- ASPRS publish the PE&RS Journal with practical career-oriented articles as well as peer-reviewed research
- ASPRS publish technical books like the *Manual of Remote Sensing*
- ASPRS expand academic scholarships for students (your future customers and workforce)
- ASPRS provide networking and business development opportunities through our regional and national meetings

With your membership, you bring excellence to your organization, but you also serve the greater geospatial profession, and you have a voice in controlling the future direction of ASPRS. Each Corporate Member of ASPRS has a voting seat on the **Sustaining Corporate Members Council**, with direct representation on the ASPRS Board of Directors though the Council Chair.

ASPRS IS A 501(C)3 NON-PROFIT EDUCATIONAL, SCIENTIFIC ASSOCIATION AND YOUR CORPORATE MEMBERSHIP HELPS SUPPORT OUR MISSION TO ADVANCE THE UNDERSTANDING OF THE GEOSPATIAL SCIENCES AND TO EXPAND PUBLIC AWARENESS OF THE MANY PROFESSIONS WE REPRESENT
