Special Advertising Opportunities

FRONT COVER SPONSORSHIP

A PE&RS cover sponsorship is a unique opportunity to capture the undivided attention of your target market through three premium points of contact.

1— PE&RS FRONT COVER

(Only twelve available, first-come, first-served)
PE&RS is world-renowned for the outstanding imagery displayed monthly on its front cover—and readers have told us they eagerly anticipate every issue. This is a premium opportunity for any company, government agency, university or non-profit organization to provide a strong image that demonstrates their expertise in the geospatial information industry.

2— FREE ACCOMPANYING “HIGHLIGHT” ARTICLE

A detailed article to enhance your cover image is welcome but not a condition of placing an image. Many readers have asked for more information about the covers and your article is a highly visible way to tell your story in more depth for an audience keenly interested in your products and services. No article is guaranteed publication, as it must pass ASPRS editorial review. For more information, contact Rae Kelley at rkelley@asprs.org.

3— FREE TABLE OF CONTENTS COVER DESCRIPTION

Use this highly visible position to showcase your organization by featuring highlights of the technology used in capturing the front cover imagery. Limit 200-word description.

Terms: Fifty percent nonrefundable deposit with space reservation and payment of balance on or before materials closing deadline.

Cover Specifications: 8 3/8" × 10 7/8"

Sponsoring an ASPRS Workshop is an excellent way to reach a targeted audience of attendees seeking professional development.

Your support for an ASPRS workshop shows your commitment to promote unbiased educational materials to the professional community. Each workshop sponsor will receive:

1. Recognition on ASPRS website
2. Recognition in ASPRS newsletter
3. Recognition in ASPRS conference program (printed handout)
4. Session moderator thanks sponsor in introductory remarks with logo on screen
5. Logo and sponsorship noted in workshop handouts

Single Session Sponsor

Each Single Session Sponsor opportunity will include

This format is an attractive, convenient presentation venue for remote sensing professionals globally who are unable to travel.
