

Photogrammetric Engineering

Volume XVIII

MARCH, 1952

Number 1

CONTENTS

List of Sustaining Members	7
Board of Direction & Committee Chairmen	9
Announcements—Manual & Index	13, 17
Photo and Biography of President George D. Whitmore	19
The Work of Laussedat and Education in Photogrammetry at the National School of Arts and Crafts, Paris— <i>Louis Ragey</i>	21
The Eighteenth Annual Meeting—Brief Report—Committees—The Program	27
Address of Welcome— <i>Talbert Abrams</i>	30
Opening Address—"The Role of the Scientist and Scientific Research in Current Programs of the Navy"— <i>Rear Adm. Calvin M. Bolster</i>	31
Luncheon Address "A Washington Commentary"— <i>Paul Wooton</i>	35
The Seventh International Congress of Photogrammetry— <i>O. S. Reading, L. R. Smart and C. H. Andregg</i>	38
The Opportunities and Obligations of Photogrammetry as a Profession— <i>George H. Harding</i>	41
Performance Testing of Aerial Cameras for Photogrammetric Mapping— <i>James P. Webb</i>	47
Height Measurements with the Stereoscopic Continuous Strip Camera— <i>Amrom H. Katz</i>	53
The Calculus of Scale— <i>Amrom H. Katz</i>	63
Photogrammetric Geodesy and Geodetic Photogrammetry— <i>W. O. Byrd</i>	79
The Multiplex, Kelsh Plotter and Wild Autographs— <i>Luis Struck</i>	84
Report on Airborne Profile Recorder— <i>Harry T. Kelsch</i>	92
River Current Data from Aerial Photography— <i>Charles N. Oros</i> with Introduction by <i>K. S. Melsom</i>	96
The Measurement of Water Current Velocities by Parallax Methods— <i>H. L. Cameron</i>	99

(Continued on page 5)

Entered as second-class matter at the Post Office at Menasha, Wisconsin, under the Act of August 24, 1912. Additional entry as second-class matter at the Post Office at Washington, D. C. Acceptance for mailing at the special rate of postage provided for in section 34.40 paragraph d, P. L. & R.

Published five times a year, during the months of March, April, June, September and December, by the American Society of Photogrammetry. Publication Office 450-458 Ahnaip St., Menasha, Wis. and at Society's Address—P.O. Box 18, Benjamin Franklin Station, Washington, D. C.

Copyright 1952 by the American Society of Photogrammetry. Reproduction of this issue, or any part thereof, may be made only after obtaining the specific approval of the Society's Chairman of the Publications Committee.

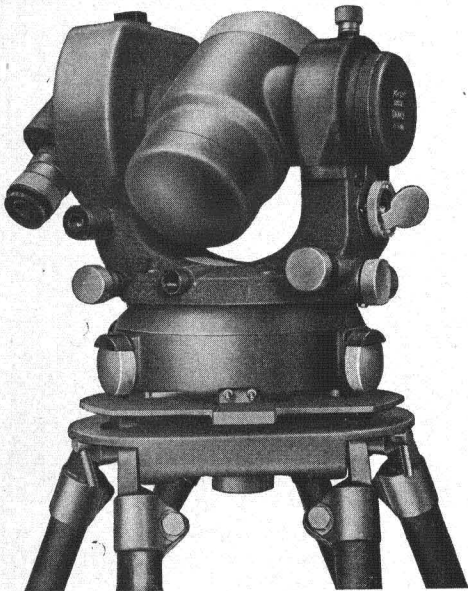

The Society is not responsible for any statements made or opinions expressed in its publications.

Subscription Rates—No charge to Society members in good standing; \$6 annually for subscribers in United States and its possessions; and \$6.50 annually, elsewhere. Society pays the postage. Price of individual back numbers—in U. S. and its possessions, \$1.75 per copy for single purchase of 3 or less and \$1.65 per copy, for 4 or more; elsewhere \$1.85 per copy for single purchase of 3 or less and \$1.75 per copy, for 4 or more.

Printed in the United States of America

CONTENTS (Continued)

Estimating Damage and Casualties from Atomic Bomb Attack— <i>Arthur B. Cozzens</i>	105
Crime Laboratory Photography— <i>Frederick E. Webb</i>	111
Photography in Law Enforcement— <i>Leonard P. Hutchison</i>	119
Polygonal Patterns and Ground Conditions from Aerial Photographs— <i>Robert F. Black</i>	123
The O'Neill-Nagel Light-Table— <i>Hugh O'Neill</i> and <i>William Nagel</i>	134
A Forest Survey in Guatemala— <i>Bert Mason, Jr.</i>	140
SYMPOSIUM—The Use of Aerial Photographs in a Tropical Country (Surinam)— <i>Jan I. S. Zonneveld, Albert Cohen, Dammes Heinsdijk, Jacob J. v. d. Eijk,</i> and <i>Bernard J. Beltman</i>	144
Supplementary Height-Control— <i>G. B. Das</i>	169
Deformation of a Stereogram— <i>G. B. Das</i>	171
The Accuracy of Poivillier Plotters—A letter from <i>E. Torquebiau</i>	173
Selling Photogrammetry— <i>Fowler W. Barker</i>	174
Report of Committee on Research— <i>John C. Sammi</i> —and U. S. Geological Survey Photogrammetric Research Projects—1951	178
Review of Books, Publications and Papers	181
News Notes	45, 62, 78, 182
News of Photogrammetrists	185
Resolving Power	187
Application Form for Corporate Membership	190
Application Form for Student Membership	191
