ASP-ACSM CONSECUTIVE MEETINGS

The Twenty-Fifth Annual Meeting of this Society, marking a quarter of century of progress in the field of photogrammetry, will be held at the Shoreham Hotel, Washington, D. C., March 8 through March 11, 1959, as part of the 1959 ASP-ACSM Consecutive Meetings—ending March 14.

General topics for technical sessions will include:

1. Photogrammetric and related papers of historical nature.
2. Color photography in photo-interpretation.
3. Special applications and measurements.
4. Cameras, lenses, and photographic materials.
5. Analytical aerotriangulation.
6. Automation.
7. General sessions (miscellaneous papers).

The annual awards and business sessions will be held in an afternoon. Concurrent technical sessions will be run to accommodate the wide field of interest.

J. T. PILONERO, *Chairman*
Publicity Committee
