TECHNICAL PAPERS	
Photogrammetry—A Versatile Measuring Technique <i>Robert D. Turpin</i>	64
Airphoto Analysis in Outdoor Recreation: Site Inventory and Planning <i>Henry W. Dill, Jr.</i>	67
To Measure is to Know—Or is It? <i>Robert N. Colwell</i>	71
Geologic Interpretation of Airborne Infrared Imagery <i>Laurence H. Lattman</i>	83

(Continued on page 5)

Second-class postage paid at Menasha, Wisconsin and at additional mailing offices.

Published six times a year, during the months of January, March, May, July, September and November, by the American Society of Photogrammetry Publication Office, Curtis Reed Plaza, Menasha, Wis., and at Society's Address—44 Leesburg Pike, Falls Church, Va. The Editor's address is 3523 Raymond St., Chevy Chase 15, Md.

Copyright 1963 by the American Society of Photogrammetry. Reproduction of this issue or any part thereof (except for short quotes in the preparation of technical and scientific papers) may be made only after obtaining the specific approval of the Society's Chairman of the Publications Committee.

The Society is not responsible for any statements made or opinions expressed in the technical papers, advertisements or other portions of this Publication.

Subscription Rates—No charge to Society members in good standing; \$9 annually for subscribers in the United States and its possessions; and \$9.50 annually, elsewhere. Society pays the postage. Price of individual back numbers—in U. S. and its possessions, \$1.75 per copy for single purchase of 3 or less and \$1.65 per copy for 4 or more; elsewhere \$1.85 per copy for single purchase of 3 or less and \$1.75 per copy for 4 or more. Orders for subscriptions or for individual copies should be sent to the Society's address.

Changes in address should be sent to the Secretary at the Society's address in Falls Church, Va.
