

PHOTOGRAMMETRIC ENGINEERING and REMOTE SENSING

Volume XLIII

August 1977

Number 8

COVER PHOTO — This photograph of Augustine Island, located in Cook Inlet about 150 miles southwest of Anchorage, was taken on 27 July 1974 from an altitude of 38,000 feet. The exposure was 1/400 second at f.8, using Kodak Double X Aerographic Film. Scale is 1:76,000. Early last year the 4,300-foot volcano erupted violently, sending clouds of steam, smoke, and ash high into the atmosphere. Photo provided by the North Pacific Aerial Surveys of Anchorage, Alaska.

TECHNICAL ARTICLES

Construction and Interpretation of a Digital Thermal Inertia Image <i>Alan R. Gillespie and Anne B. Kahle</i>	983
Ground Truth Measurements for Thermal Infrared Remote Sensing <i>Ferdinand J. Bonn</i>	1001
A Cost Model for Remote Inspection of Ground Sites <i>L. Daniel Maxim and Daniel E. Cullen</i>	1009
Landsat Imagery for Surface-Mine Inventory <i>A. T. Anderson, D. Schultz, N. Buchman, and H. M. Nock</i>	1027
Geologic Applications of Landsat Imagery <i>Assad Iranpanah, Ph.D.</i>	1037
Distinguishing Saline from Non-Saline Rangelands with Skylab Imagery <i>J. H. Everitt, A. H. Gerbermann, and J. A. Cuellar</i>	1041

Second-class postage paid at Falls Church, Virginia and at additional mailing offices.

Published monthly by the American Society of Photogrammetry, 105 N. Virginia Ave., Falls Church Virginia 22046. Publication Office—Everybody's Press, Hanover, Pa. 17331. (Also see Notice on second following page.)

Copyright 1977 by the American Society of Photogrammetry. Reproduction of this issue or any part thereof (except short quotations for use in the preparation of technical and scientific papers) may be made only after obtaining the specific approval of the Editor.

The Society is not responsible for any statements made or opinions expressed in the technical papers, advertisements, or other portions of this Publication.

MEMBERSHIP RATES: Membership in the American Society of Photogrammetry is open to any person actively engaged in the practice of Photogrammetry, Photo-interpretation and Remote Sensing, or who by means of education or profession is interested in the application or development of these arts and sciences. The annual dues for Regular members are \$20.00 which includes a \$10.00 member subscription to the Society's official journal, "Photogrammetric Engineering and Remote Sensing." The annual dues for accredited student members are \$7.00 which includes a \$5.00 student subscription to the official journal.

SUBSCRIPTION RATES: Persons or organizations that are not affiliated with the Society may obtain non-member subscriptions to Photogrammetric Engineering and Remote Sensing in accordance with the following schedule:

Non-member subscription . . . \$25.00 per year (calender)

Student*non-member subscription . . . \$10.00 per year (calender)

(*Students must submit evidence of enrollment)

Printed in the United States of America.
