

# PHOTOGRAMMETRIC ENGINEERING and REMOTE SENSING

Volume XLVI

March 1980

Number 3

COVER PHOTO—This Landsat band 5 image shows the Jemez caldera and a portion of the Rio Grande rift valley in north-central New Mexico. The city of Taos is indicated by the arrow at A and Santa Fe, the state capital, is at B. Albuquerque is just off the bottom of the scene. Photo submitted by the Technology Application Center, University of New Mexico. (Please note: The cover photo on the January 1980 issue, showing the Colorado River area in southeastern Utah, was inadvertently flipped over, resulting in a "mirror" image of the scene, which incorrectly shows east to the left and west to the right.)
