

PHOTOGRAMMETRIC ENGINEERING and REMOTE SENSING

Volume XLVIII

November 1982

Number 11

COVER PHOTO — A three-dimensional perspective view of a Landsat image looking south towards the Nabesna Glacier tongue, flanked by the Alaskan Wrangell Mountains. The image is the result of merging Landsat and Digital Elevation Model (DEM) topographic data and represents a view altitude from 1,500 feet. Image generated by Texas Instruments, Image Processing Department, Dallas, Texas, on the DEC, VAX 11/780 system. Coded coloring of the Landsat density ranges and the resultant print were produced by EROS Data Center, Sioux Falls, South Dakota on their Interactive Digital Image Manipulation System (IDIMS) and Matrix Color Graphic Camera. Print submitted by Kim-Marie Walker, Associate Applications Scientist, Technicolor Graphic Services, Inc., Sioux Falls, South Dakota.

TECHNICAL ARTICLES

- Optimum Sampling for Digital Terrain Models: A Trend Towards Automation
O. O. Ayeni1687
- Use of Aerial Photography with Loran C Positioning to Map
Offshore Surface Currents
*David O. Cook, Gary R. Davis, Ronald A. Franklin, and
Timothy L. Flynn*.....1695
- Spatial Frequency Pseudocolor Filters
A. Prieto, J. Bescós, and J. Santamaría1701
- Aerial Photographic Analysis of Septic System Performance
Barry M. Evans1709
- An Aerial Photographic Procedure for Estimating Recreational Boating Use
on Inland Lakes
Richard L. Deuell and Thomas M. Lillesand1713

Second-class postage paid at Falls Church, Virginia and at additional mailing offices.

Photogrammetric Engineering and Remote Sensing (ISSN 0099-1112) is published monthly by the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, Virginia 22046. Publication Office—The Sheridan Press, Hanover, Pa. 17331. (Also see Notice on second following page.)

Copyright 1982 by the American Society of Photogrammetry. Reproduction of this issue or any part thereof (except short quotations for use in the preparation of technical and scientific papers) may be made only after obtaining the specific approval of the Editor.

The Society is not responsible for any statements made or opinions expressed in the technical papers, advertisements, or other portions of this Publication.

MEMBERSHIP RATES: Membership in the American Society of Photogrammetry is open to any person actively engaged in the practice of Photogrammetry, Photointerpretation and Remote Sensing, or who by means of education or profession is interested in the application or development of these arts and sciences. The annual dues for Regular members are \$30.00 which includes a \$15.00 member subscription to the Society's official journal, *Photogrammetric Engineering and Remote Sensing*. The annual dues for accredited student members are \$12.50 which includes an \$8.00 student subscription to the official journal. (All memberships are on a calendar year basis.) Add \$5 for all international memberships to cover cost of postage. Postmaster: send address changes to the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, Virginia 22046.

SUBSCRIPTION RATES: Persons or organizations that are not affiliated with the Society may obtain non-member subscriptions to *Photogrammetric Engineering and Remote Sensing* in accordance with the following schedule:

Non-member subscription . . . \$35.00 per year (calendar)
Add \$5 for international subscriptions.

Printed in the United States of America.

Permission to Photocopy

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee of \$2.25 through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.

NOTICE: Correspondence relating to all business and editorial matters pertaining to this and other Society publications should be directed to the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, VA 22046, including inquiries, memberships, subscriptions, changes in address, manuscripts for publication, advertising, back issues, and the MANUALS OF PHOTOGAMMETRY, REMOTE SENSING, and COLOR AERIAL PHOTOGRAPHY. The telephone number of the Society Headquarters is (703) 534-6617.
