

PHOTOGRAMMETRIC ENGINEERING and REMOTE SENSING

Volume XLIX

June 1983

Number 6

COVER: All ASP members will receive a ballot about the Consolidation of ASP and ACSM in August. Because *you*, the members, will make the final decision, your Board asked that you be provided with as much information as possible. In May, on pages 705-720, the Third Edition of the Consolidation Plan was published. The articles on pages 837 and 862 provide information for your review.

Please become familiar with the Plan and the issues, and above all, VOTE!!

—W.D.F.

Quality Control for NRC On-Line Triangulation <i>V. Kratky and S. F. El-Hakim</i>	763
TRASTER SST Analytical Stereoplotter <i>Mike Higgins</i>	771
Measuring Heat Loss from Flat-Roof Buildings with Calibrated Thermography <i>O. W. Mintzer, F. A. Kulacki, and L. E. Winget</i>	777
Tradeoffs Among Several Synthetic Aperture Radar Image Quality Parameters: Results of a User Survey Study <i>F. K. Li and M. Leonard Bryan</i>	791
Very Low Altitude Remote Sensing of the Water Quality of Rivers <i>Devendra Swaroop Bhargava</i>	805
Spectral Characterization of the Landsat-4 MSS Sensors <i>Brian L. Markham and John L. Barker</i>	811

(Continued on page 725)

Second-class postage paid at Falls Church, Virginia and at additional mailing offices.

Photogrammetric Engineering and Remote Sensing (ISSN 0099-1112) is published monthly by the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, Virginia 22046. Publication Office—The Sheridan Press, Hanover, Pa. 17331. (Also see Notice on second following page.)

Copyright 1983 by the American Society of Photogrammetry. Reproduction of this issue or any part thereof (except short quotations for use in the preparation of technical and scientific papers) may be made only after obtaining the specific approval of the Editor.

The Society is not responsible for any statements made or opinions expressed in the technical papers, advertisements, or other portions of this Publication.

MEMBERSHIP RATES: Membership in the American Society of Photogrammetry is open to any person actively engaged in the practice of Photogrammetry, Photointerpretation and Remote Sensing, or who by means of education or profession is interested in the application or development of these arts and sciences. The annual dues for Regular members are \$35.00 which includes a \$17.50 member subscription to the Society's official journal, *Photogrammetric Engineering and Remote Sensing*. The annual dues for accredited student members are \$15.00 which includes an \$8.00 student subscription to the official journal. (All memberships are on a calendar year basis.) Add \$5 for all international memberships to cover cost of postage. Postmaster: send address changes to the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, Virginia 22046.

SUBSCRIPTION RATES: Persons or organizations that are not affiliated with the Society may obtain non-member subscriptions to *Photogrammetric Engineering and Remote Sensing* in accordance with the following schedule:

Non-member subscription . . . \$50.00 per year (calendar)
Add \$5 for international subscriptions.

Printed in the United States of America.

OPINIONS ON CONSOLIDATION	849
SUMMARY.....	860
CONSOLIDATION IS THE ANSWER	
<i>Joel L. Morrison</i>	862

Because of the importance of consolidation to the members of ASP, we have not included the June Newsletter or Engineering Reports. They will appear as usual in July.

Permission to Photocopy

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee of \$2.25 through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.

NOTICE: Correspondence relating to all business and editorial matters pertaining to this and other Society publications should be directed to the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, VA 22046, including inquiries, memberships, subscriptions, changes in address, manuscripts for publication, advertising, back issues, and the MANUALS OF PHOTOGRAMMETRY AND REMOTE SENSING. The telephone number of the Society Headquarters is (703) 534-6617.
