

PHOTOGRAMMETRIC ENGINEERING and REMOTE SENSING

Volume L

January 1984

Number 1

COVER PHOTO — We're launching our 50th Anniversary Year with this rare aerial photographic mosaic of Washington, D.C. taken by the School of Aerial Photographic Reconnaissance, Langley Field, Hampton, Va. on August 17, 1918. To the best of our knowledge, the Society copy of the mosaic is the only one in existence. The photo shows the Mall area from the Capitol to the White House as it existed at that time.

Fiftieth Anniversary Highlights: Proposed Photogrammetric Society	41
The Channel Correlation Method for Estimating Aerosol Levels from Multispectral Scanner Data <i>J. F. Potter</i>	43
Monitoring Vegetation in the Nile Delta with NOAA-6 and NOAA-7 AVHRR Imagery <i>C. J. Tucker, J. A. Gatlin, and S. R. Schneider</i>	53
Shadowless or Sunlit Photos for Forest Disease Detection? <i>B. J. Myers, M. L. Benson, I. E. Craig, J. F. Wear, and P. W. West</i>	63
Mapping Effectiveness of Insecticide Treatments against Pandora Moth with Color-IR Photos <i>W. M. Ciesla, D. D. Bennett, and J. A. Caylor</i>	73
Using Landform and Vegetative Factors to Improve the Interpretation of Landsat Imagery <i>Melvin Satterwhite, William Rice, and Jerome Shipman</i>	83
Detecting Melaleuca Trees and Stands in South Florida <i>L. G. Arvanitis and R. Newburne</i>	95

(Continued on page 5)

Second-class postage paid at Falls Church, Virginia and at additional mailing offices.

Photogrammetric Engineering and Remote Sensing (ISSN 0099-1112) is published monthly by the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, Virginia 22046. Publication Office—The Sheridan Press, Hanover, Pa. 17331. (Also see Notice on second following page.)

Copyright 1984 by the American Society of Photogrammetry. Reproduction of this issue or any part thereof (except short quotations for use in the preparation of technical and scientific papers) may be made only after obtaining the specific approval of the Editor.

The Society is not responsible for any statements made or opinions expressed in the technical papers, advertisements, or other portions of this Publication.

MEMBERSHIP RATES: Membership in the American Society of Photogrammetry is open to any person actively engaged in the practice of Photogrammetry, Photointerpretation and Remote Sensing, or who by means of education or profession is interested in the application or development of these arts and sciences. The annual dues for Regular members are \$40.00 which includes a \$20.00 member subscription to the Society's official journal, *Photogrammetric Engineering and Remote Sensing*. The annual dues for accredited student members are \$15.00 which includes an \$8.00 student subscription to the official journal. (All memberships are on a calendar year basis.) Add \$5 for all international memberships to cover cost of postage. Postmaster: send address changes to the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, Virginia 22046.

SUBSCRIPTION RATES: Persons or organizations that are not affiliated with the Society may obtain non-member subscriptions to *Photogrammetric Engineering and Remote Sensing* in accordance with the following schedule:

Non-member subscription . . . \$65.00 per year (calendar)
Add \$5 for international subscriptions.

Printed in the United States of America.

Permission to Photocopy

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee of \$2.25 through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.

NOTICE: Correspondence relating to all business and editorial matters pertaining to this and other Society publications should be directed to the American Society of Photogrammetry, 210 Little Falls Street, Falls Church, VA 22046, including inquiries, memberships, subscriptions, changes in address, manuscripts for publication, advertising, back issues, and the MANUALS OF PHOTOGRAMMETRY AND REMOTE SENSING. The telephone number of the Society Headquarters is (703) 534-6617.
